

ZSAB is a collection of mature high school and middle school students who volunteer their time with the goal of improving ZIML programs and helping ZIML reach more students.

ZIML STUDENT ADVISORY BOARD (ZSAB) GOALS

- Review Problems
 - Catch mistakes and suggest improvements and clarifications for Daily Magic Spells and Monthly Contests
- Suggest and Organize Problems
 - Write and submit original problems to be used in ZIML programs
 - Classify and write solutions for existing contest problems
- Outreach to Grow ZIML and ZSAB
 - Lead discussions online or onsite to using ZIML problems to encourage new students to join ZIML programs
 - Establish local ZIML clubs and teams and assist in hosting local/regional events and tournaments

BENEFITS

- Support ZIML and share your passion for math with others!
- ZSAB is a great extracurricular activity for college apps and resumes.
- Earn volunteer hours
- Build leadership and communication skills
- Earn credit for Areteem classes and programs

RESPONSIBILITIES

- Complete Daily Magic Spells and review solutions
- Compete in at least one Monthly Contest each month and review answers and solutions after the contest closes
- Contribute to ZIML growth by either submitting original problems or leading discussions with others
